

NATIONAL INSTITUTE FOR HOSPITALITY AND TOURISM

6 MIKE AKHIGBE WAY, JABI, ABUJA

EXPRESSION OF INTEREST FOR PARTNERSHIP ON TRAINING & INTERNSHIP

INTRODUCTION:

The National Institute for Hospitality and Tourism (NIHOTOUR) was established in 1988 as a result of a tripartite agreement signed in 1987 between the United Nations Development Programme (UNDP), International Labour Organisation (ILO) and the Federal Government of Nigeria which was signed in 1987 vide the project document NIR/85/004 of 1987.

The Institute serves as the apex government institution for Hospitality, Travel and Tourism training in Nigeria. Presently the Institute is a parastatal under the Federal Ministry of Information and Culture.

MANDATE:

The Institute has the following mandate;

1. Providing a platform for human capital development in the Hospitality and Tourism industry including the award of Diploma's and Certificate's.
2. Certifying and Registration of qualified personnel in the Hospitality, Travel and Tourism Sector.
3. Regulating training programmes of Hospitality, Travel and Tourism Training Institutions.
4. Serving as the Hospitality, Travel and Tourism Sector Skills Council (SSC) for delivery of National Skills Qualification Framework (NSQF).
5. Conducting and Publishing Research Work for the advancement of the Hospitality, Travel and Tourism industry.

MISSION:

To provide innovative world class manpower capacity for the industry using the tools of direct class based and ICT based distance learning with an integrated internship system that competes favourably with the best Hospitality, Travel and Tourism Training Institutes in the world and an excellent regulatory framework that compels stakeholders and practitioners to deliver on quality customer satisfaction that fuels growth in the industry.

PROJECT SMART JOBS:

NIHOTOUR as part of the efforts to unlock the potentials of the Hospitality, Travel and Tourism sector to engender output growth, standardization, job creation, and value added productivity, initiated Project Smart Jobs.

The project is designed to maximize modern technology effectiveness by retooling Hospitality, Travel and Tourism sector personnel with modern business equipment, to resuscitate lost jobs and create myriad new jobs for youths and women with the overall goal of reducing high rate of unemployment and to improve socio-economic development nationwide.

In this regards, NIIHOTOUR seeks to invite corporate organisations in the Hospitality, Travel and Tourism industry to express their interest in partnering with NIIHOTOUR towards the achievement of the following objectives.

PARTNERSHIP OBJECTIVES:

1. To develop highly skilled personnel through a rigorous internship system for all cadres in the industry.
2. To promote foreign and local investment initiatives that will act as a catalyst for economic growth and development of the industry.
3. To provide a sustainable ICT platform for enhanced e-learning, e-business presence and increased customer patronage within the industry.
4. To promote engagement among tourism stakeholders and entrepreneurs on a real-time basis.
5. To implement a digital statistical infrastructure for standards on Hospitality, Travel and Tourism

PARTNERSHIP BENEFITS:

1. Training and Certification of Personnel
2. Free Application Programme Interface (API)
3. Customised Mobile Application (Mobile App)
4. Direct Foreign and Local Investments
5. Real-time Value added Reselling of Products
6. Personalised website and customised API's

REQUIREMENTS FOR EXPRESSION OF INTEREST:

1. Must be registered under Corporate Affairs Commission.
2. Must be in the Hospitality Travel and Tourism Industry
